LOUISIANA (WATER) IRIS

Beautiful, evergreen perennial evergreen water-loving plants.

Excellent cut flowers for vase and floral arts.

Good bloom life.

Perfect for that problem weed zone and a great pond plant.

Looks fabulous all year, and flowers generally in October.

Louisiana Iris will flower on just receiving rain water, but flower stem lengths and plant heights are reduced, when water is not regularly received by these beautiful iris.

Cultural notes are supplied with all plants purchased.

ALL PLANTS SUPPLIED BARE-ROOTED

All Louisiana Iris are \$7.00 each, **unless priced differently on the webpage**, plus postage and handling.
